www.grandrapidsarchers.com**

Grand Rapids Archers

Membership Information

How To Become A Member

Fill out the application and mail or deliver it with dues to Membership Chair (only the Membership Chair can accept your application and dues). Membership Chair for 2022 is Leland Kessler (see contact info on flip side). You can also submit dues with your credit or debit card via PayPal.

Range Upgrades

GRA secured local funding to purchase and install new Spider indoor targets. December 2021 new targets will be rotated in and target faces replaced. Other improvements include new lighting, painting the ceilings, painting & sealing the floor, driveway improve and re-landscaping for better drainage away from the clubhouse.

Additional Opportunities

We have a number of NAA Level I-IV instructors in our club. These instructors teach youth archery and coach with the National Archery in the Schools program. If you are interested in becoming a NAA Instructor, contact Youth Coordinator Arne Moe.

Gaining Access To Clubhouse

Once application and dues are received, members will receive a gate key and the clubhouse lock combination. The clubhouse lock combination changes January 1 of each year. Members who join after March 1 will have their renewal dues pro-rated.

Range Hours

Members have access to the range 24 hours a day, 7 days a week. However, shooting is not allowed during scheduled seasonal student shooting activities and State or Regional shoots on select weekends. Refer to posted calendar of events for exact dates.

Range Activities and Fundraiser

Club meetings are held bimonthly starting in January. Various club archery activities to raise funds arise and club members are encouraged to participate. Range clean up times are scheduled and members are encouraged to sign up for this light duty cleaning and keep our range clean for all of us.
